Public Service Announcement # 073124
RESCIND -Water Conservation
Released as of Wednesday, July 31, 2024, (11:00 am)**

Social Media Disclaimer:

If you are viewing this Public Service Announcement on Social Media, you are urged to visit www.lpwvla.org to confirm it is accurate and up to date.

For Immediate Release:

The Lafourche Parish Water District is **RESCINDING** its **WATER CONSERVATION** Advisory for all customers in Lafourche Parish serviced by the District. This advisory is being lifted because the threat of shutting down our bayou intake pumps for extended periods of time has diminished.

Sample results continue to indicate the oil spill has not affected the water quality at the treatment plant and the water continues to be treated.

Your cooperation has been greatly appreciated throughout this event.

Updates:

Customers should stay tuned to News Media outlets and monitor the Lafourche Parish Water District's Website at www.lpwvla.org for further updates and additional information.

News Media Note:

Please repeat this announcement several times a day until further notice and advise the public that this information, along with future updates will be posted on the Lafourche Parish Government Website at www.lafourchegov.org.
