

**RE: Lafourche Parish Water District No. 1
Public Service Announcement # 072724
Water Conservation Notice
Released as of Saturday, July 27, 2024, (1:30 pm)**

Social Media Disclaimer:

If you are viewing this Public Service Announcement on Social Media, you are urged to visit www.lpwvla.org to confirm it is accurate and up to date.

For Immediate Release:

Effective immediately, the Lafourche Parish Water District No. 1 is issuing a **WATER CONSERVATION NOTICE** for all customers in Lafourche Parish serviced by the District.

All customers are asked to conserve water and refrain from non-essential water use until further notice. This Water Conservation Notice is being issued in response to an oil spill in Bayou Lafourche. Cleanup crews are on site and the cleanup process is ongoing. At the time of this Public Service Announcement, the oil has not affected our treatment process. If this changes, customers will be notified immediately.

Your cooperation is vital to ensure adequate water quality and quantity are preserved for all communities within our water system. Thank you for your assistance.

Updates:

Customers should stay tuned to News Media outlets and monitor the Lafourche Parish Water District's Website at www.lpwvla.org for further updates and additional information.

News Media Note:

Please repeat this announcement several times a day until further notice and advise the public that this information, along with future updates will be posted on the Lafourche Parish Government Website at www.lafourchegov.org.
