

**RE: Lafourche Parish Water District No. 1
Public Service Announcement # 073024
Water Conservation Update #2
Released as of Tuesday, July 30, 2024, (3:30 pm)**

Social Media Disclaimer:

If you are viewing this Public Service Announcement on Social Media, you are urged to visit www.lpwdla.org to confirm it is accurate and up to date.

For Immediate Release:

The **WATER CONSERVATION NOTICE** is still in effect for all customers in Lafourche Parish serviced by the District. This conservation notice is issued as a matter of caution in the event a long term shut down of our intakes is needed.

Sample results continue to indicate the oil spill has not affected the water quality at the treatment plant and water continues to be treated.

Your cooperation is vital to ensure adequate water quality and quantity are preserved for all communities within our water system. Thank you for your assistance.

Updates:

Customers should stay tuned to News Media outlets and monitor the Lafourche Parish Water District's Website at www.lpwdla.org for further updates and additional information.

News Media Note:

Please repeat this announcement several times a day until further notice and advise the public that this information, along with future updates will be posted on the Lafourche Parish Government Website at www.lafourchegov.org.
